

A word-search puzzle from the Bible Pages. Theme: Names of places that are mentioned in the four Gospels.

This is a two-page version for larger text on A4-printers. For the same puzzle in normal layout, see this address:
www.biblepages.net/npa010.htm#33

58 words are hidden in this puzzle. They are printed across, or up or down, or diagonally, backwards or forwards, but always in a straight line, with no letters skipped. Each letter may form a part of more than one word. All letters do not belong to words, and there is no “hidden message”.
