

A word-search puzzle from the Bible Pages.

Theme: The apostle John.

A version with larger text on A4-printers is found at the address www.biblepages.net/npa010.htm#41

This puzzle is a bit special – “9 in 1” – this 6-page document contains 9 different puzzles made by using the same words. Choose one of them – or solve all of them.

53 words are hidden in each puzzle. They are printed across, or up or down, or diagonally, backwards or forwards, but always in a straight line, with no letters skipped. Each letter may form a part of more than one word. All letters do not belong to words, and there is no “hidden message”.
