

A word-search puzzle from the Bible Pages. Theme: The apostle John.

This is a version for larger text on A4-printers. For the same puzzle in normal layout (for A4 or A3 or even larger), see this address: www.biblepages.net/npa010.htm#41

This puzzle is a bit special – “9 in 1” – this 13-page document contains 9 different puzzles made by using the same words. Choose one of them – or solve all of them.

53 words are hidden in each puzzle. They are printed across, or up or down, or diagonally, backwards or forwards, but always in a straight line, with no letters skipped. Each letter may form a part of more than one word. All letters do not belong to words, and there is no “hidden message”. The puzzles are found on pages 2-10.
