

A word-search puzzle from the Bible Pages. Theme: New Testament places and persons somehow connected with Greece.

This is a two-page version for larger text on A4-printers. For the same puzzle in normal layout, see this address:
www.biblepages.net/rpa010.htm#24

58 words are hidden in this puzzle. They are printed across, or up or down, or diagonally, backwards or forwards, but always in a straight line, with no letters skipped. Each letter may form a part of more than one word. All letters do not belong to words, and there is no “hidden message”. (The actual puzzle is on page 2.)

List of words:

ACHAIA, ACHAICUS, AMPHIPOLIS, APOLLONIA, APOLLOS, AQUILA, AREOPAGUS, ARISTARCHUS, ARTEMAS, ATHENS, BARNABAS, BEREIA, CENCHREA, CLEMENT, CORINTH, CRETE, CRISPUS, CYPRUS, DALMATIA, DEMAS, EPAPHRODITUS, ERASTUS, EUODIAS, FAIRHAVENS, FORTUNATUS, GAIUS, GREECE, ILLYRICUM, JASON, JOSES, JUSTUS, LASEA, LUCAS, LUKE, LYDIA, MACEDONIA, MNASON, NEAPOLIS, NICOPOLIS, PAPHOS, PAUL, PHENICE, PHILIPPI, PRISCILLA, SAINTS, SALAMIS, SALMONE, SAMOTHRACIA, SECUNDUS, SILAS, SILVANUS, SOPATER, SOSTHENES, STEPHANAS, SYNTYCHE, THESSALONICA, TIMOTHEUS, TITUS

A note: Some of the names mentioned here, are found even in other, similar puzzles at this site. This is because a number of saints travelled forth and back. Another note: This puzzle includes even names related to some islands in the Mediterranean.
