Regarding the selection of words in this puzzle

The words in the maze on page 1 are regarding the event with the golden calf, by Mount Sinai. In the following, the first occurrence of each of the words that appear in the puzzle, is highlighted in **bold** style.

Chapter thirty-two in the book of **Exodus** in the Old Testament records that when **Moses (Mosheh) delayed** to come **down** from the **mountain**, the **Israelites went** to his brother **Aaron** and asked him to **make** them **gods** (idols) which would “lead” them. So, Aaron **said** to them, “Break off the **golden earrings** which are in the ears of your wives, your sons, and your daughters, and bring them to me.” Out of them, Aaron **made (molded)** an idol **image** in the form of a **calf**. He built an altar before the idol, and told the **people** that the next day, there would be a feast.

On that day, the Israelites **sacrificed** to the calf idol and worshipped it. They were **eating** and **drinking** and **singing** and **revelling, unrestrained**, so that there was much **noise**. **Joshua**, who had followed Moses to the mountain, **heard** the noise from the **camp** below, and told Moses about it.

The **Lord** said to Moses, “Go, get down; for your people whom you brought out of the land of Egypt, have **corrupted** themselves. They have **turned aside** quickly out of the way which I commanded them”. The Lord wanted to **consume** (destroy) the whole nation, and make a new nation of Moses, but Moses **pleaded** for the people of Israel and asked the Lord to turn away from his fierce **wrath**, and so, the Lord **relented** (changed his mind).

Moses went down from the mountain, carrying the two **tablets** which contained a **testimony** regarding the covenant which the Lord had made with the Israelites. When Moses approached the camp, he **saw** the calf and the dancing, and became **angry** and cast down the stone tablets and **broke** them. He took the idol calf and **burned** it and **ground** the remains into **powder** and mixed it in water and **caused** the Israelites to **drink** it.

Then Moses stood in the gate of the camp and said, “Who is on the Lord’s side? Let him come to me.” And the **Levites gathered** themselves together to him. Moses told them to take **swords** and walk from gate to gate, **throughout** the camp, and slay people. They did that, and **killed three thousand** people.

That event led to a change to the covenant which had just been made. Those who want, can study the books of Moses, in order to see what that change was.
